RESCUE US MISSION

GOOD NEWS! Rescue Us Mission is partnering with Faith Collaboratives

Faith Collaborative is a beacon of hope for survivors of human trafficking, providing comprehensive care and unwavering support. Their dedication extends beyond basic necessities, recognizing the importance of emotional healing and personal growth. Faith Collaborative understands that recovery requires more than just shelter; it demands a restoration of the individual. To this end, they create opportunities for survivors to reconnect with themselves and the world around them. These opportunities often include personal days filled with enriching experiences like shared meals, cinematic adventures, visits to museums, or relaxing spa treatments. By offering these moments of normalcy and joy, Faith Collaborative helps survivors reclaim their lives and rebuild their futures. Through compassionate care and thoughtful support, Faith Collaborative empowers survivors to heal and thrive.

Setting Up for Success: Rescue Us Aftercare

Rescue Us provides comprehensive aftercare for clients who have graduated from our program. This support includes essential household items to help them establish independent living. We furnish bedding for our clients, ensuring a comfortable transition. Additionally, we provide kitchen necessities such as coffee pots, dishes, pots and pans, along with pillows and linens, amongst other items.

With the wind in her hair and the road ahead, one of our clients at Rescue Us Mission is one step closer to freedom, thanks to the compassionate hearts at Freedom Church Alliance. Their momentary gift, a beacon of hope, will fund her driving lessons and the pursuit of her driver's license. For this extraordinary act of kindness, we offer our deepest gratitude.
