The warmth of our Christmas luncheon ❤️

Our recent Christmas luncheon served as a beautiful sanctuary of joy, where courageous clients and dedicated staff celebrated the season as one resilient family through a festive feast and shared stories. Laughter echoed during spirited games, providing a powerful testament to the healing power of love and the community spirit that shines at Rescue Us Mission. This gathering was a vibrant reminder of the light that follows even the darkest journeys and the enduring hope we continue to cultivate together.

Crafting Hope with Ms. Terry

Under the gentle guidance of Ms. Terry, our clients explored their artistic side this month by handcrafting charming, functional bookmarks. These delightful creations, featured whimsical designs like pictures of rabbits and pigs.

Stronger Together: Collaborating at the Fort Bend Connect

This January, Rescue Us Mission was honored to attend a wonderful and impactful meeting hosted by the Fort Bend Connect, a vital network that unites non-profits, government agencies, and faith-based groups to strengthen social services across our county. We look forward to continuing this spirit of collaboration every second Friday of the month, as we join these dedicated partners to better serve our community with shared purpose and innovation.

A Night of Rhythm and Radiance: Our Urban Nutcracker Outing

Our clients stepped into a world of vibrant energy at the Houston Urban Nutcracker, experiencing a modern reimagining of the classic holiday ballet at the Stafford Center. This dynamic production by the Culture Arts Initiative beautifully mirrors the diversity of our city, blending ballet, jazz, and hip-hop into a culturally rich celebration of movement and music. It was a truly memorable evening that allowed our clients to connect with the festive spirit of Houston through the inspiring performances of local artists of all ages.

From Empty Space to a Place Called Home

Through the steady generosity of our donors at United Way, we successfully delivered and assembled essential furniture for a client transitioning into her new apartment. This vital support does more than fill a room, it provides the comfort and dignity necessary for her to thrive as she courageously begins this new chapter of independence.

Shifting the Tide: Reflections on Human Trafficking Awareness Month

Our Human Trafficking Awareness Month in January was a success. It ignited vital conversations and deepening public understanding of the hidden dangers within our community. This surge in awareness directly fuels our work at Rescue Us Mission, providing the momentum we need to expand our rescue operations and provide comprehensive restoration services for survivors in Texas.

Cultivating Hope at God's Garden: A Harvest of Healing

During our amazing early morning visit to God's Garden, a 36,000 sanctuary in Stafford, our clients enjoyed a cool morning packing a wagon full of organic vegetables while being enriched by the owner's insightful and educational information. This beautiful experience allowed us to connect with the legacy of Michael Steeb and his late wife Lorraine, who founded this 501c3 non-profit organization out of a shared passion for gardening and a belief that access to nutritious food is a fundamental human right. Their mission to feed the underprivileged and support worthwhile organizations ensures that everyone has access to fresh, healthy produce, reinforcing their vision that no one should ever have to go hungry in our community.

Reflection and Resilience: A Special Screening of 'Still Hope'

During a powerful evening of fellowship and inspiration, our staff gathered to watch 'Still Hope,' a moving film based on a true story about a young woman named Hope who, after being betrayed by someone she trusted and enduring years of abuse in trafficking, finally reunites with the family that never stopped searching for her. This meaningful screening served as a profound reminder that while freedom is only the beginning of a difficult path toward reclaiming one's voice, restoration through God is always possible, proving that even the most broken hearts can find peace and healing.

Sister Aremu Bosde, better known as Sister Stella is our Newest Team Member! 🌟

We are absolutely thrilled to introduce our Finance Officer to the Rescue Us Mission family!

Acknowledgements/ Shout-outs

We wish to extend our deepest gratitude to our incredible partners—Frost Bank, Nomi Network, Shield Bearers, Ms. Ruth, and Tosha—whose unwavering commitment provides the vital tools and compassionate care our clients need to rebuild their lives. Your expertise and generosity are the pillars of our restorative programs, transforming the journey of recovery into a path of sustainable success and empowerment. We are truly honored to stand alongside such dedicated allies in the fight for freedom and the pursuit of total restoration for every survivor we serve.

Our Current Wishlist

Your generosity turns a house into a home and a mission into a movement.

We are currently seeking the following items to better serve our survivors:

Twin Mattress (New) – For a restful night's sleep.

Washing Machine – To provide the dignity of clean clothes.

Printer – For essential paperwork and educational resources.

If you can donate any of these items, please contact us at info@rescueusmissions.org.

That's all for now!
